Joe Miller

JaxPort Director, Facilities and Development

Joe Miller brought a wealth information about JaxPort to our member's meeting. He spoke about the needs of JaxPort to dredge and modify the Mile point in order to expand the port for the upcoming Panamax ships. These ships will be a major boost for our local economy. They will help bring about all kinds of associated businesses and bring new jobs to Jacksonville. This will obviously affect the North Jacksonville area.

Joe also spoke about the present condition of our port in conjunction with other ports around the Nation. Also Nancy Rubin from the port filled in with additional information making a great meeting even better.
